“When I get called on in class (now) I don’t have to be worried that I’m going to stumble on a word.”
“I think *The Third Quest* should be a movie or maybe there should be more books.”

STUDENTS IN THE THIRD QUEST

“We saw jumps from October to January of 30 and 40 words per minute in students’ easyCBM fluency. The unmeasured piece is that the kids really feel like [their skills] carry into their other classes.”
